FOWLER HIGH'S SPIRIT LEADERS MEAN ACTION!

TWENTY-THREE YEARS OF SERVICE

MR. HUBERT JONES

This year we proudly dedicate the 1969 Litoria to Mr. Jones.

A member of the California State School Employees Association, Mr. Jones has served our school as head custodian for 23 years. He has been employed since 1946 and he retired on Jan. 1, 1969. A plaque for his meritorious service was presented to him by the Fowler Unified School District on January 14.

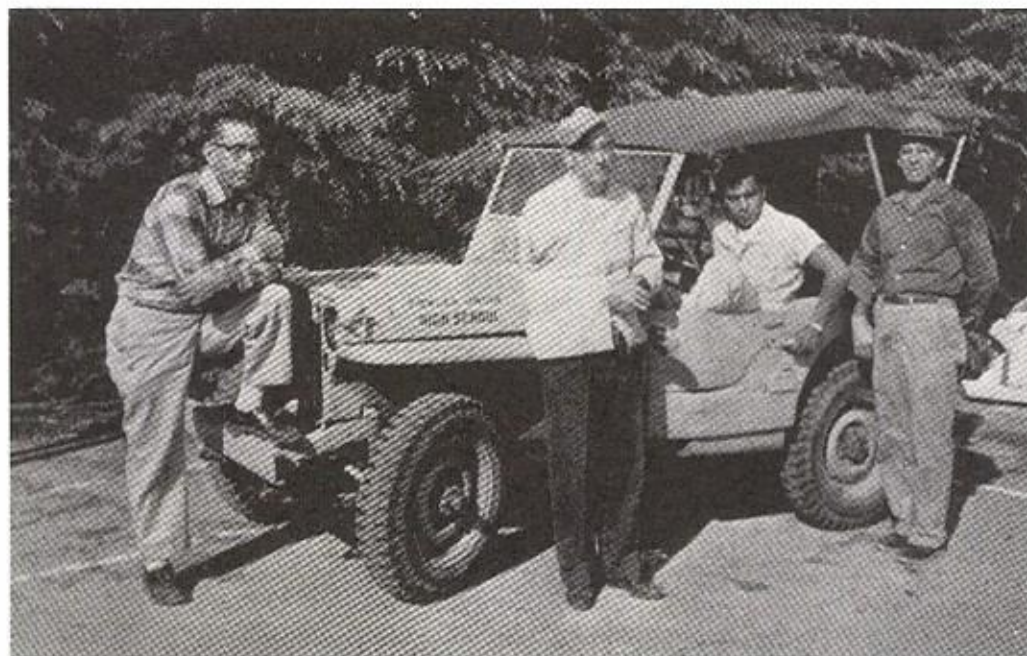

Mr. Jones will long be remembered at Fowler High School. He was known by almost everyone and was always willing to help the students and faculty in whatever way he could. For these reasons we respectfully honor our friend, Mr. Jones.

ADMINISTRATION

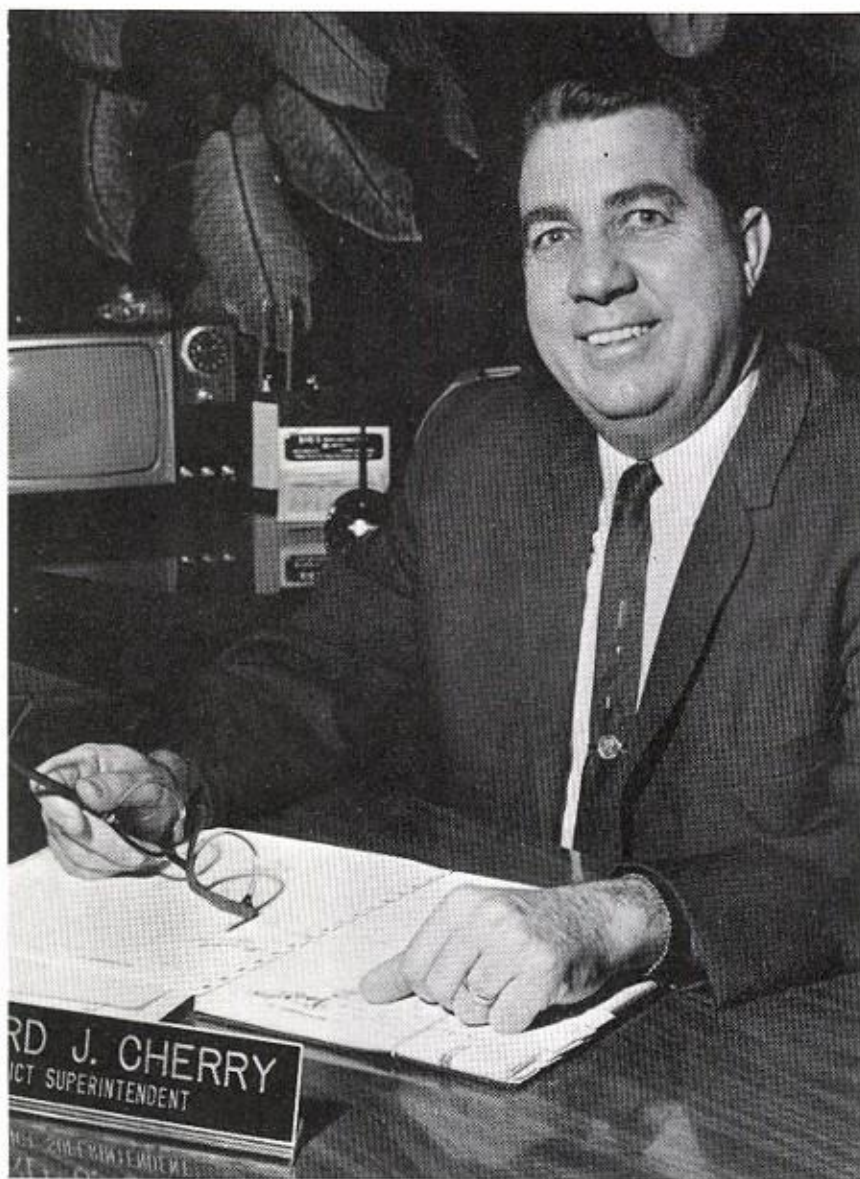

Nineteen hundred and sixty-eight has been a busy year for the administration of Fowler High School. Mr. John D. Hendrickson, Principal, has made many improvements which have bettered our school. He has removed the old lockers to relieve the crowded conditions in the halls. Also he has changed the offices around to make it more convenient and efficient for the students. Mr. Hendrickson hopes that these improvements will help the students realize that the administration is only here to help.

Mr. Petersen came to Fowler High School twenty-five years ago. He first taught physical education and coached football, basketball and track. From physical education, he moved into the social studies program. In 1952 he accepted the position of assistant principal; however, he still taught part time.

The duties and responsibilities of the assistant principal are varied and many. Among other assignments, there is pupil attendance, excessive tardiness referrals, student behavior problems both inside and outside the classroom. There is also the matter of teacher supervisory assignments and student eligibility. All in all the position of assistant principal has few idle or dull moments.

BOARD OF EDUCATION

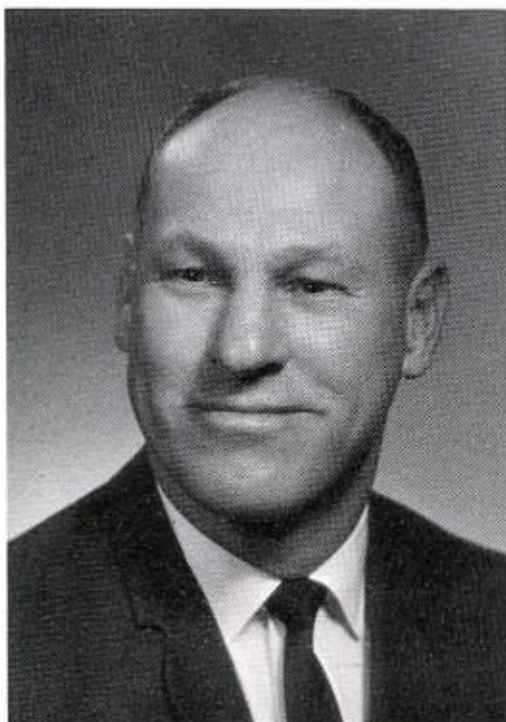

Mr. J. Van Gundy

President Van Gundy has led the Board of Education through another successful year. The third year for the Unified Board has been one of change. Mr. Van Gundy, along with the help of the other members, has donated much time and effort working for the betterment of all the schools in the district. Mr. Magill, Clerk of the Board, keeps record of all the board's activities. Without the help of Mr. Magill, the Board would have a difficult time operating. Mr. Blayney, a local rancher, is another member of the Board. He has served for three years on the Unified Board of Education and three terms on the High School Board before unification. Mr. Bacon is starting his second year on the Board. He is employed by the Kings County Implement Company in Hanford. Mr. Vucovich has served for three years on the Unified Board and ten years on the Malaga Board of Education.

The Litoria Staff would like to thank these busy men for taking a little time out of the day to help the student body of Fowler High School and the elementary schools.

SPECIAL SERVICES

The counselors and the nurse are a necessity to the working machinery of a school. The counselors, Mrs. Ostrand and Miss Blayney, help the students plan his education and his career. Miss Jorgensen tends to the students who are sick or are hurt at school. On behalf of the student body, the Litoria staff would like to thank these people for their continued effort to serve the students.

Our school nurse, Miss Jorgensen, is retiring this year. Before coming to Fowler, she was a surgical nurse in San Francisco. Miss Jorgensen started working for Fowler High School and the elementary schools in 1948 and she has continued here until this year-a total of 21 years. Miss Jorgensen lives in Selma and plans to continue her extensive travels after her retirement.

OFFICE STAFF

Mrs. Bolt-Librarian

Mrs. Converse and Mrs. Biggerstaff-Secretaries

These secretaries keep Fowler High's offices running smoothly and efficiently. Mrs. Biggerstaff is Mr. Hendrickson's secretary and she is also in charge of the main office. She provides supplies needed by the teachers. Mrs. Converse is the attendance clerk and secretary to Mr. Petersen. Her office is in the new Student Center, and another of her many jobs is helping with student affairs. Mrs. Yamamoto, our new financial secretary, is in charge of purchase orders, class and club treasuries, and all other financial matters. Mrs. Bolt, the librarian, assists students in finding information in the school library. Without these four helpful ladies, our school would not run smoothly.

JANITORS; Mr. Jones, Mr. Hughey, and C. Luna.

The personnel at Fowler High School are the people "behind the scenes". The cooks serve nutritious meals to the students. The bus drivers provide a means of transportation to and from school and special activities. The janitors clean the school and make the necessary daily repairs.

Without the help of these people, the school would be unable to open it's doors to the students.

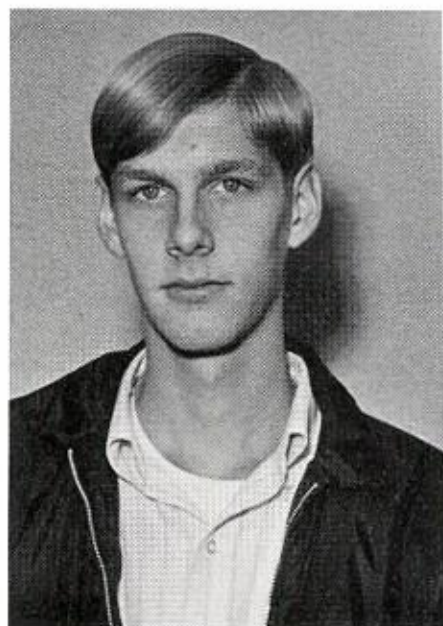

President Henry Fernandez

Under the leadership of Student Body President Henry Fernandez, the 1968-69 Student Council worked to improve Fowler High School. The main effort of the Student Council was to unite all groups of the school. To accomplish this, the possibility of establishing a House of Representative was frequently discussed at Student Council meetings. Besides this, these elected and appointed officers went about their regular duties, such as planning assemblies, coordinating student projects, and working with the administration to improve the school.

We made it! Can you believe it? We're finally graduating. After four long years it has finally arrived. Come to think of it, these past four years haven't been so long. Remember when we were freshmen-the big Seniors called us green and dumb. But we showed them we weren't. We really surprised them when our class float won first place at the Fowler Fall Festival. And before we could say "Fowler Redcats," we were Sophomores--ordering our rings and pushing the new freshmen around! Most of us will probably agree that our Sophomore year was the hardest, but yet it flew by so quickly. And then we were Juniors--proud as anything

because we were upperclassmen. Remember our Junior year? Seems like all we did was work, work, work! Why? For only one reason-we were determined to have the best Prom ever at Fowler High. And we did! Then it was June '68 and we realized that as the Seniors graduated, we would finally be the leaders of the school. This year has been great-but so short. It seems like our first football game was only yesterday, but here we are with graduation just around the corner. Maybe we won't see each other again after June 12, but we won't forget Fowler High and will agree that ours was the Great Class of '69!

JUNIORS

The Juniors have now completed their first year as upperclassmen. In drives to earn money for the prom, they have had concessions at the games, Fowler Fall Festival and Mayfair, a dance and the Junior-Senior Play. They started early in the year on the Prom committee. Many problems arose though as they always have and always will. But President David Okazaki led his team of expert students through the struggle of everyday student activity at Fowler High. As the end of this school year is here, the Juniors look forward to their Senior year.

SOPHOMORES

This year's Soph class was undoubtedly one of the most active, spirited classes Fowler has ever seen. This was partly due to the work of the Soph class head sponsor, Mr. Ribarich.

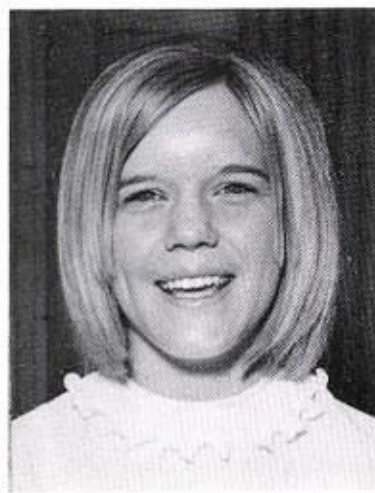

The big accomplishment for the Sophomore class this year was at the Fowler Fall Festival. They won the Sweepstakes and earned first prize in the school float division. "Love makes the world go 'round" was the theme of the original float.

Early in the year the Sophomores chose their class rings, which arrived early in December.

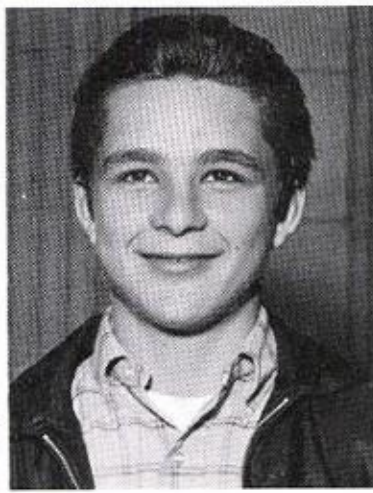

The Sophomores have worked hard this year to earn money for their prom next year. They had several concessions and a car wash which helped them toward the prom.

FRESHMEN

The little people of Fowler High began their four year struggle. Although they were running back and forth not knowing what to do part of their first year, confusion was cleared up during Freshman Orientation Week.

Already looking forward to when they will be upperclassmen the frosh sponsored a successful dance and concession.

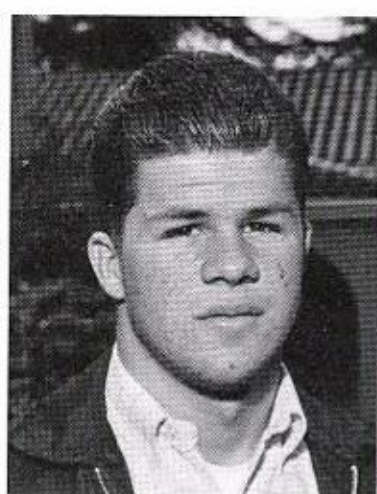

Under the guidance of the class yell leaders the freshmen's spirit rose during the year to challenge the other classes in class competition. So congratulations, Class of '72, for now you are full-fledged students of Fowler High School.

JR. SLAVE DAY

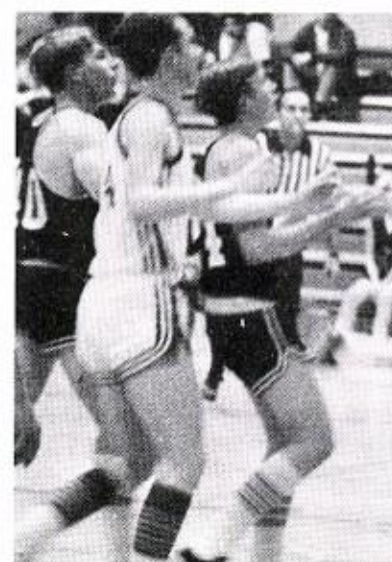

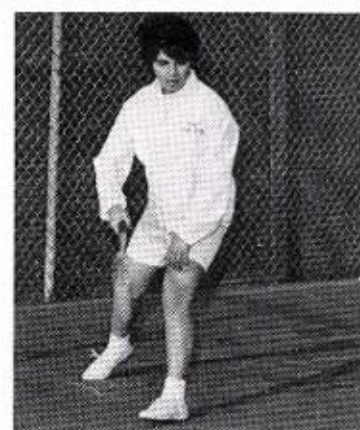

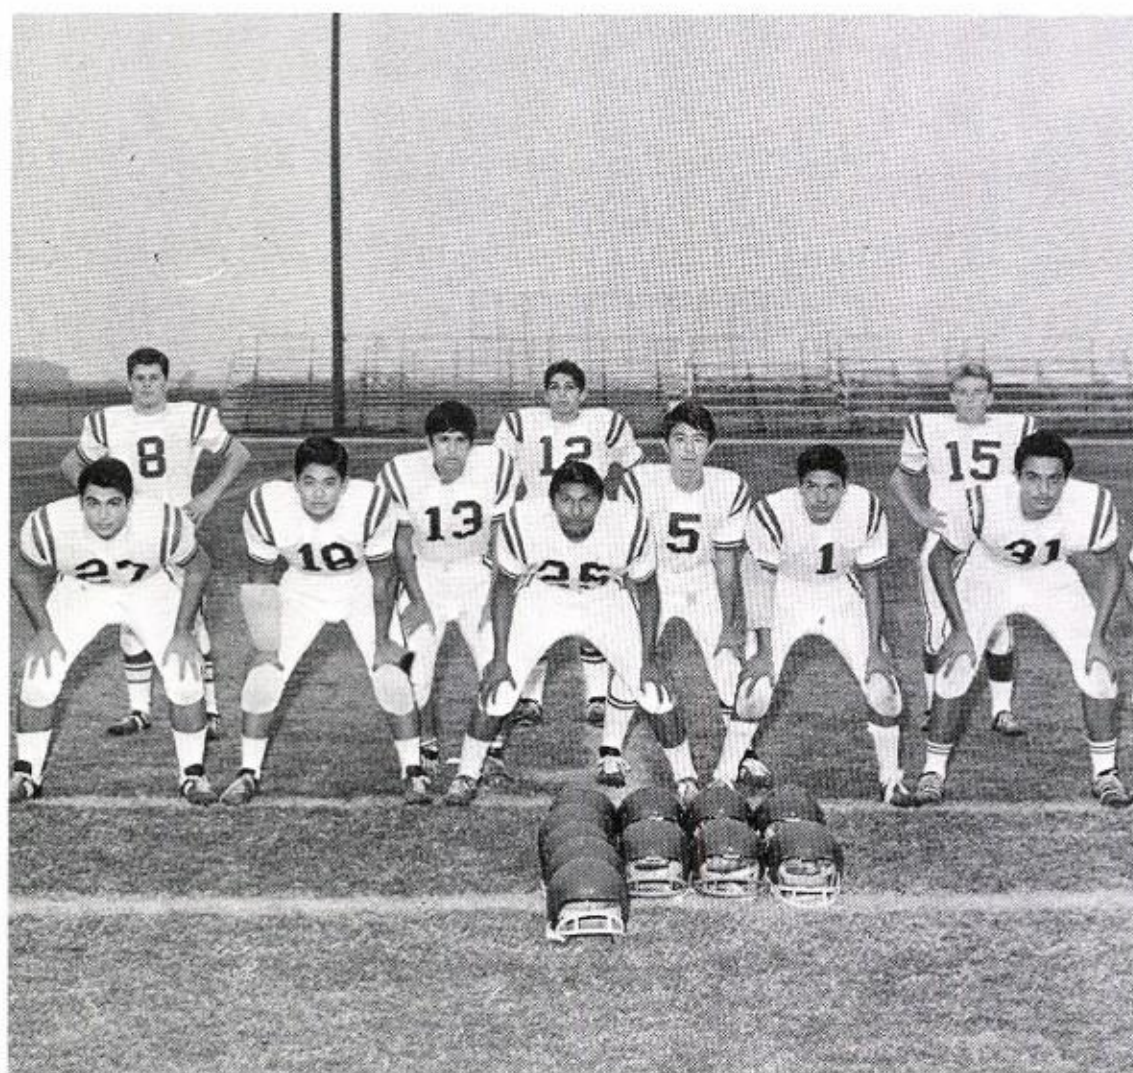

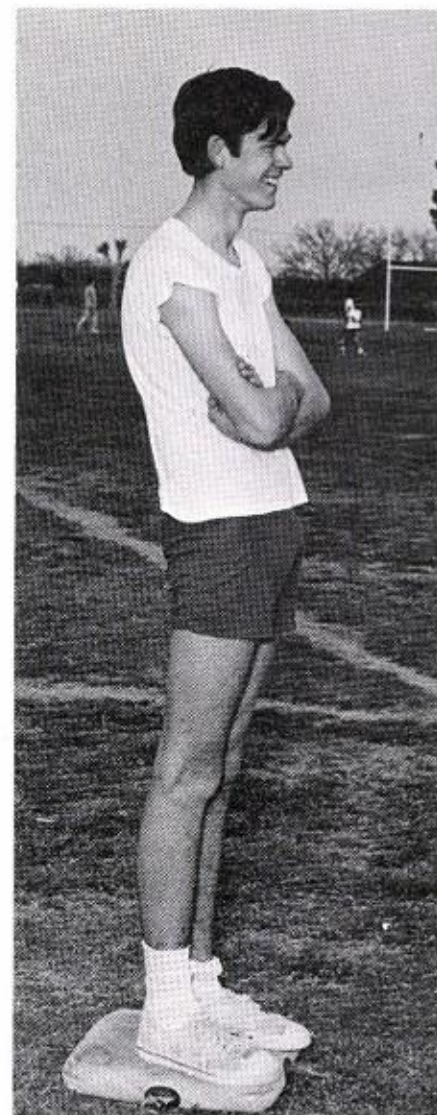

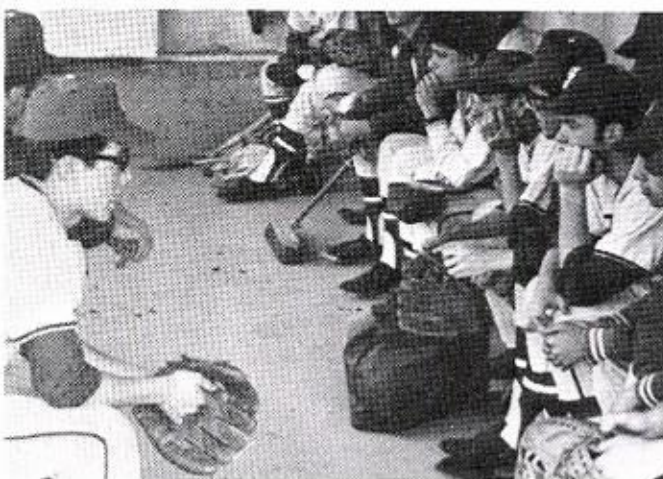

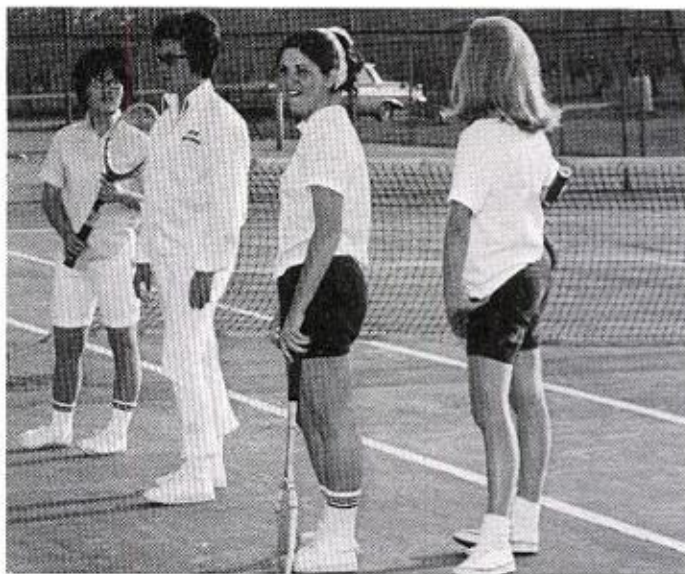

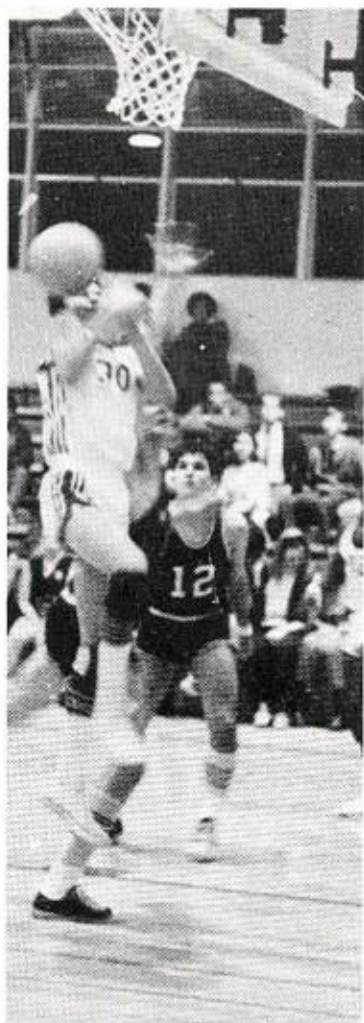

Each year the Junior class sponsors a Slave Day in order to raise money for the Junior-Senior Prom. This year was no exception. Late in February, Fowler High students assembled in the auditorium to make their bid for a slave.

Members of the Junior class showed off their talent or acted as sellers. After performing their acts, each "slave" was auctioned off to the highest bidder. For the rest of the day, the juniors had to serve as his master's slave and had to make his master's wish his command.

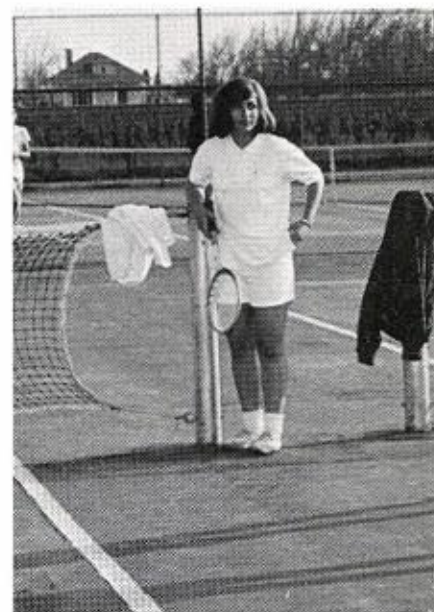

The theme of this year's Slave Day was based on Rowan and Martin's Laugh-in.

SPORTS

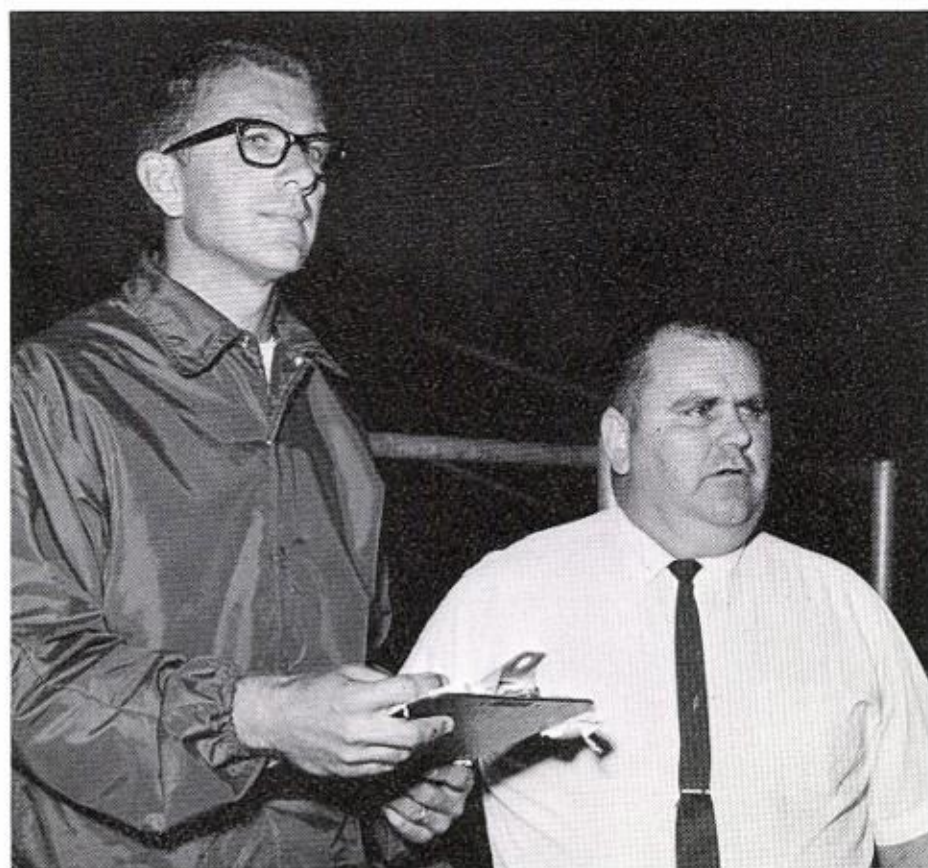

Playing on the refurbished Nielsen field, the Redcats had a rough season in 1968. Although they slipped to a 0-8 record, the Redcats played each game with more spirit than Fowler has ever seen. As everyone knows, full team cooperation is necessary for a football team. But individual effort is also important. Junior Square, a Senior, was the outstanding player of 1968. He was named to the first team on the West Sequoia League All-Stars for playing the position of halfback for the offense, and line backer for the defense. Junior was also named to the All Valley team. Other players honored were Alex Rodriguez, Gary Raco, Tim Butts, Larry Stromberg, Carlos Ramirez, Rex Taylor and David Prescott. Congratulations to these fine players!

Under the guidance of Coach Browning they started out the season with many non-league wins, which promoted school spirit and raised hopes for a very successful year. Seniors on this year's squad were J. Square, G. Raco, L. Gomez, and G. Garcia.

CROSS COUNTRY

The 1968 version of Fowler High School's Cross Country team finished a very fine season by emerging from league competition undefeated (4-0) and capped this performance by winning the West Sequoia League championship. To show Fowler's dominance of the league, the results of the league find Redcat runners placing 2, 3, 4, 5, 6, and 7 in the league.

Setting the pace all year was team captain and most outstanding runner Gabe Zaragoza; selected for most improved runners on the team were Fred Lucero and Joe Montoya.

Highlighting this excellent season was the qualifications of Gabe Zaragoza and Joe Montoya for the Valley championships.

With the exception of Gabe the whole team will be back next year to continue their dominance of cross country in this area.

Congratulations to the first championship cross country team in Fowler's history.

1969 TENNIS

Coach: Miss Smart. Manager: Susan Taniguchi.

This year, 1969, was one of the most successful tennis seasons in years. Under the guidance of Coach Smart and manager Susan Taniguchi, both, the Varsity and Junior Varsity won many victories for Fowler High.

Senior players this year were Shirley Melikian, Fumi Takeda, Gerald Kondo, Mike Morita, Roberta Kikuta, Greg Miyake and Sharon Asakawa.

We are especially proud of Sam Sherman and Mike Morita for their fine performance at the Selma Tournament, where they won 2nd place in the consolation round.

Although Fowler will be losing some of its best players this year, there are many up and coming players.

Seniors and Juniors fill the field with plenty of excitement and thrills for any big-leaguer. Coach Encinas has shaped and molded the boys into a strong ball club. TRACK 69

The 1969 track team has again been successful. Mr. Stromberg and Mr. Garberson coached them on to victory after victory. For a small team, they are considered to be one of the best in the West Sequoia League. At their first meet they won third place with only five boys. The student body is pleased to have such a team represent them on the track field.

ACTIVITIES

Yell Leaders: D. Hiraoka, R. Kikuta, head, and L. Santos.

Fowler High's cheerleaders were a major factor in building school spirit this year. Roberta, Debbie, and Linda led the yells at the assemblies, spirit rallies, and football games. Each girl possessed drive and stamina which enabled them to keep up with the busy life of a cheerleader.

This season's mascot, Marlene Zamora, was a bright and cheerful kitty cat. Through out her sometimes difficult job she remained a great symbol of school spirit.

Patti Sakohira led the crew of nine pep girls, Barbara, Patty, Sylvia, Alison, Julie, Bev, Janet, and Elaine performed various routines at the games and assemblies. Each did their part in promoting spirit and good will toward other schools.

REDCAT MARCHING BAND

The Redcat Band, under the direction of Mr. Lee, was a major factor in building school spirit this year. The band provided our music for games, pep rallies, and concerts. The band's new music, along with the new routines of the pep girls, brought the much-needed variations to our rallies and made them a lot of fun.

The band's activities this year included their annual calendar sale, spring concert, and participation in the Music Festival. Also, the marching band, under the direction of drum major Fred Sauermilch, represented Fowler High School in many parades in the valley.

The chorus has had a full schedule this year. Their first school performance was the Christmas program. In the spring, selected members participated in the honor chorus. They went to U.O.P. and then to the Music Festival. They also sang in Fowler's Mayfair program. Besides the many school activities, some students performed for different community organizations.

INTER-CLUB COUNCIL

With ASB Vice-President Wayne Cederquist as President and presidential assistant Marcia Jameson as secretary, the Inter-Club Council helped organize the activities and meetings of the various clubs at Fowler High. Each school-affiliated club was represented by its President. A schedule of club activity weeks was set for the individual clubs to present at noon time. Acting as a body, the Inter-Club Council gave a May-fair dinner, the proceeds of which went to a scholarship. At the end of the year, the club which accumulated the most points was presented with a trophy.

Red and White, Fowler High's service club, once again worked to improve our school. Working at the gates at football and basketball games, decorating goal posts, and keeping the marquee up to date are among the duties of these members. Since these people receive no payment and very little recognition for their services, this year they were thanked for their efforts by receiving a two-day trip to San Francisco. We thank these people for generously giving their time to improve our school!

CALIFORNIA SCHOLARSHIP FEDERATION

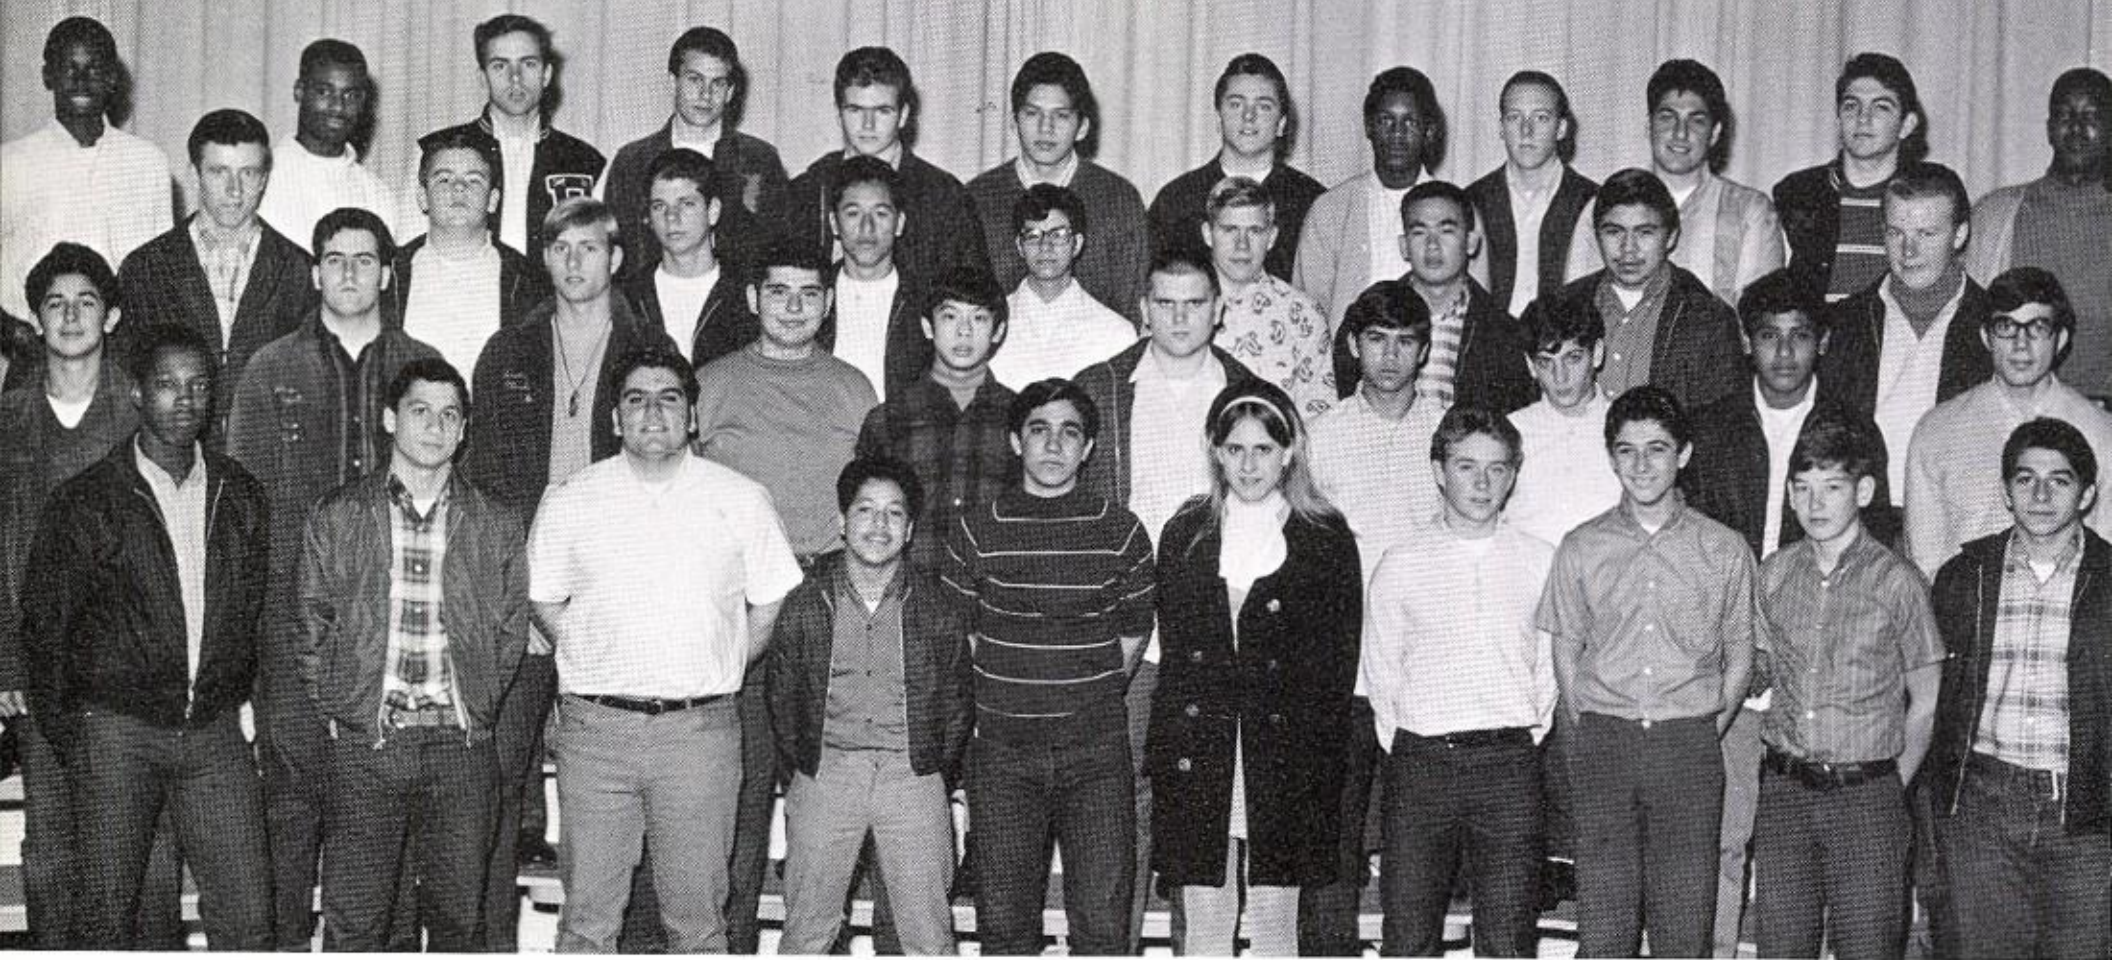

"Cheat? Who cheats? These are my real grades. I didn't cheat." This is the average student in C.S.F. arguing with another student. But C.S.F. isn't really this way. It is a club that promotes academic achievement. Its purpose is to provide a scholarship for a college-bound student. They've earned money by selling book covers and candy. They went to San Francisco and toured several universities. The C.S.F. week was a great success which is typical of C.S.F.

Sponsor: Mr. Chapell

The Future Farmers of America have had a successful and busy year. Club sponsor, Mr. Chapell, and President Gary Raco have done their parts in making this possible.

Several honors were won by FFA members at the Fresno District Fair. Blue ribbons were awarded to Romeo Sargenti, Richard From, and Brent Coolidge in the livestock division. Scotty Allred won a blue ribbon in the Feed Steer division. The swine exhibitors, Ken Hamp, Mike Jensen, Jerry Harris, Alan Derderian, Ron Rustigian, Gary Souza, and Eldon Sigera, received a Swine Herdsman Trophy as well as blue ribbons. Many red and white ribbons were also won by several of the other entrees.

The Auto Club is a newly formed organization, sponsored by Mr. Kleim and Mr. Morlet. The club's members share a common interest in cars and they work together to develop this interest.

One of their many projects was the building of a racing car from scratch. The boys worked diligently, after school hours, to complete this project.

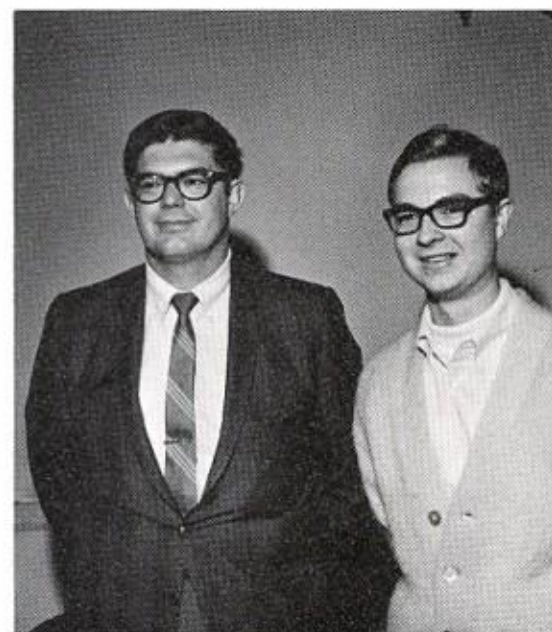

The Auto Club also sponsored a dance in January which featured the "Rebellion".

The club's activities included a pre-game Turkey Dinner, the annual Christmas Dance co-sponsored with the Senior Scouts, participation in the March of Dimes program, and an International Dinner and Program. French Club members also went on a picnic and a snowtrip, both which proved to be very successful.

The Spanish Club has been revised this year. They changed the old constitution and adopted some new rules. One change for the better is that freshmen are now allowed into the club. President Shirley Melikian, along with Treasurer Jody Van Gundy, have watched the financial affairs closely. They sold dictionaries and then bought a slide projector. The Spanish Club car took first place in the Fowler Fall Festival and had a profit-making concession there. Besides the Spanish Club week and ordering pins, it has been a very successful year.

LITORIA STAFF

The Litoria Staff, better known as Publications is designed to show the students the design, layout, and production of a High School yearbook. It includes photography, and the writing of copy. A new look in the book this year is individual pictures of the student body, the padded cover and our credit plan.

The task of getting the book to the students is not an easy one. Working after school and on Saturdays is not unusual for the staff. The hustle to meet the deadlines and the rush to get pictures are all part of our work. But the end of the year brings the fulfillment of our hopes to bring the students a book of memories that they will cherish for many years to come.

REDCAT STAFF

The Fowler High Journalism class is responsible for publishing our school newspaper, The Redcat Review. The newspaper is published once a month, or according to the editors, "Whenever we have enough money!" Financing the paper has been a major problem of the Journalism class. Although advertisements are sold and the Redcat receives money from Student Activity Card sales, the cost of printing has risen. The Redcat Staff nevertheless managed to publish a very fine newspaper.

HI 4-H

The Hi 4-Hers have done it again! They started the year off by entering their projects in the Fresno District Fair. Many of the projects placed very high. They also had a very exciting Hay Ride and a highly successful dance. Since the 4-Hers were so active, the club was always high on the inter-

mural point board and was the number one club for a large portion of the year. In December, some of the Fowler members went to Disneyland with the Fresno County Hi 4-H Club. Also, many of the Fowler 4-Hers hope to go to Canada with the Fresno County group this summer.

SENIOR SCOUTS

The Senior Scouts wrapped up another successful year. This year, under the sponsorship of Miss Alice Blayney and leadership of Mrs. Kato, Mrs. Honda and Mrs. Namba and President Susan Taniguchi they participated in various social and school functions.

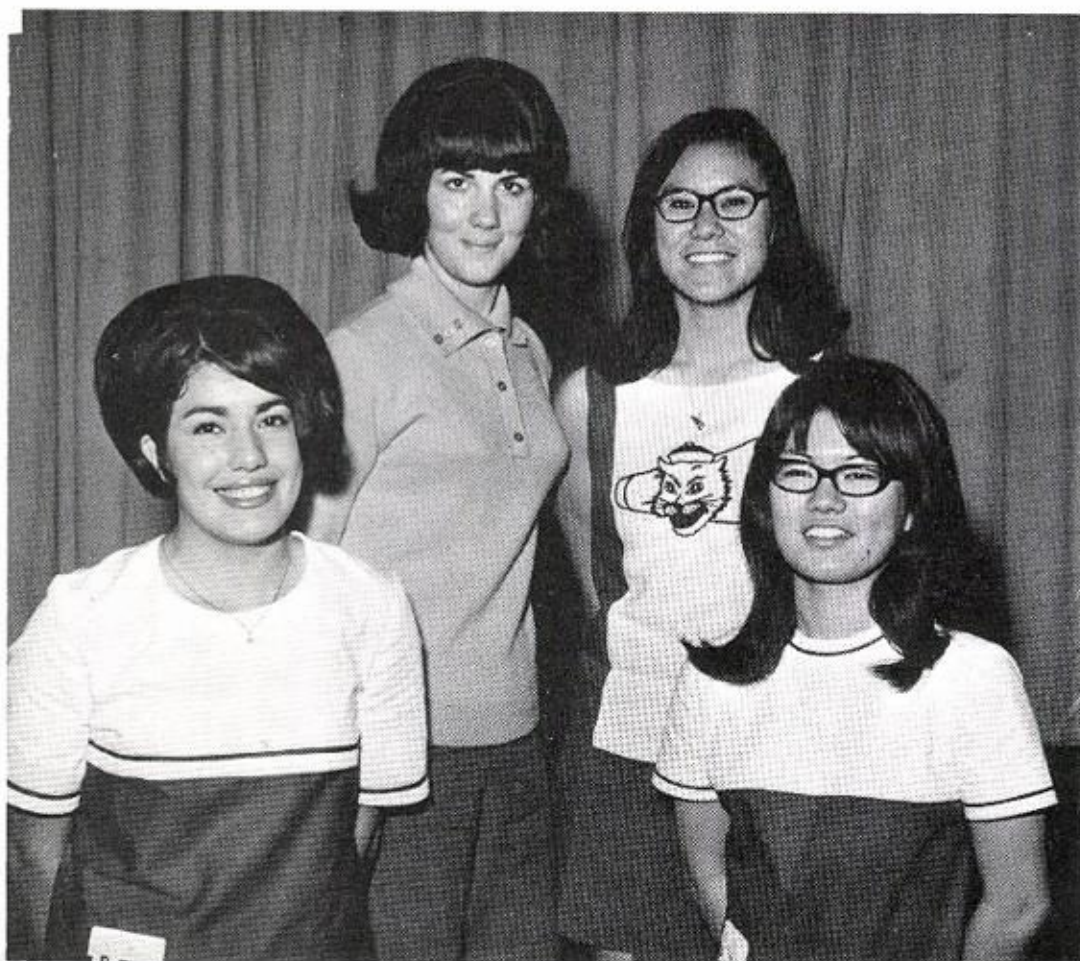

Besides the usual cookie sales and Fowler Fall Festival entries, they made favors and sang Christmas carols for the nursing home and Hospital and gave welfare baskets to needy families. Also they presented the annual Christmas Dance in conjunction with the French Club. In June, the annual farewell party was held in honor seniors.

Once again the Girls' League has come through with flying colors.

Fowler's Block F Club, an honorary society of Varsity lettermen, has completed another busy year of activities. To join this club a boy must have a Varsity letter in one of six sports: football, track, basketball, baseball, tennis, or swimming. These boys have really worked hard and will continue to push toward victory. To improve school spirit and also as a money-raising activity, the lettermen sold "Fowler Redcat" sweatshirts.

The club met every two weeks to discuss new track events and plan activities for the coming week.

FOWLER FALL FESTIVAL

A huge bonfire was the beginning of the fall festivities and led the spirit of the student body. After a few games and rallies, and the crowning of the queen, Linda Guerra, the Fall Festival arrived. The theme of this year's parade was "Pursuit of Happiness", which was carried out by all four classes in their floats. The sophomores won not only the sweepstakes but also first place, with seniors getting second, freshmen third, and juniors fourth. After the parade there were games, rides and concessions at the park, which ended another memorable Fall Festival.

The Sophomore class float received the Sweepstakes prize of the parade.

Our Letter Girls led the marching Redcat Band through the parade.

The yearbook class entered this?!??

The Seniors won first place in the high school float division. Or did they? They're still arguing with the Sophomores.

CAST

"THE MAN WHO CAME TO DINNER"

This comedy concerns Sheridan Whiteside, a famous lecturer played by Wayne Cederquist, who, while on a lecture tour, falls and breaks his hip on the doorstep of the home of Mr. and Mrs. Stanley, played Doug Askov and Barbara Harding. He is confined to a wheelchair in the Stanley home for the Christmas season.

Whiteside brings havoc upon the Stanley family and makes life miserable for those around him. He even interferes in the romantic life of his secretary, Maggie Cutler, played by Patty Kazarian. When she falls in love with Bert Jefferson, a small-town newspaper man played by Larry Stromberg, Whiteside summons Lorraine Sheldon a famous actress played by Virginia Elm, to break up the romance.

Whiteside's interference in the lives of those around him results in a hilarious comedy.

JR.-SR.
PROM 1969

THE FUTURE--what does it hold in store for us? No one can tell. THE PAST--it can be remembered. That is why yearbooks were created--as reminders of one year in high school. For all FHS students, this Litoria should be treasured, for it contains memories of the past--moments which can never be relived, but can be remembered.

Although visitors to our first period Publications class would swear that we all should have been sent to a funny farm, I think this yearbook proves that we did accomplish something worthwhile. I'm sure none of us on the staff will forget the hours we spent working on the Litoria, and the hours we spent "goofing off" when we should have been working!

As Editor, I would like to thank the Staff, our Advisor, Mr. Helzer, and the many others who helped make this 1969 Litoria a success.
